Love Is Wind — Flow Ki Khoobsurati

Nothing is permanent. Aur shayad isi wajah
se zindagi khoobsurat lagti hai.

Agar phool hamesha khila rahe,
to phool hone ka koi arth hi nahi bachega.
Agar subah kabhi shaam mein na badle,
to roshni ki keemat kaun samjhega?
Waqt ka matlab hi badlav hai.
Change ke bina time sirf ek idea hota —
jeevan nahi.

Time exist hi isliye karta hai kyunki kuch bhi
thehra hua nahi hai. Sab kuch beh raha hai.
Agar poora brahmaand achanak ek static tasveer
ban jaaye, to time bhi apna matlab kho dega.
Tasveer mein waqt nahi hota.
Waqt ki zarurat sirf isi liye padi, kyunki cheezein
badal rahi hain. Time ek ghadi nahi —
ek response hai change ka.

Love Is Wind — Flow Ki Khoobsurati

Osho kehte hain, *"Life is not a noun, it is a verb."*

Zindagi koi cheez nahi jo rakh lo,
pakad lo, secure kar lo.

Zindagi ek ghatna hai —
jo ho rahi hai, jo beh rahi hai.
Aur jo beh raha hai, wahi zinda hai.
Wahi sundar hai.

Isliye static beauty asal mein beauty
hoti hi nahi.
Wo sirf ek murda *frame* hoti hai.

Ek bilkul shaant aasmaan ke beech jab
ek panchi udta hai, to nazar sirf
panchi par kyun tik jaati hai?
Kyunki aasmaan nahi, panchi jeevit hai.

Love Is Wind — Flow Ki Khoobsurati

Baarish ki boondon mein jaadu nahi hota.
Jaadu unke girne mein hota hai.
Kohra isliye khoobsurat lagta hai
kyunki wo rukta nahi — aata hai,
chhoota hai, aur chala jaata hai.

Nature kahin bhi thehar kar explanation
nahi deti. Wo bas hoti hai.

Rumi likhte hain:
"Why are you so busy with this or that,
good or bad? Pay attention *to how things blend.*"

Life koi maths problem nahi hai jo
solve ho jaaye.
Life poetry hai,
Experience hai. Mystery hai.

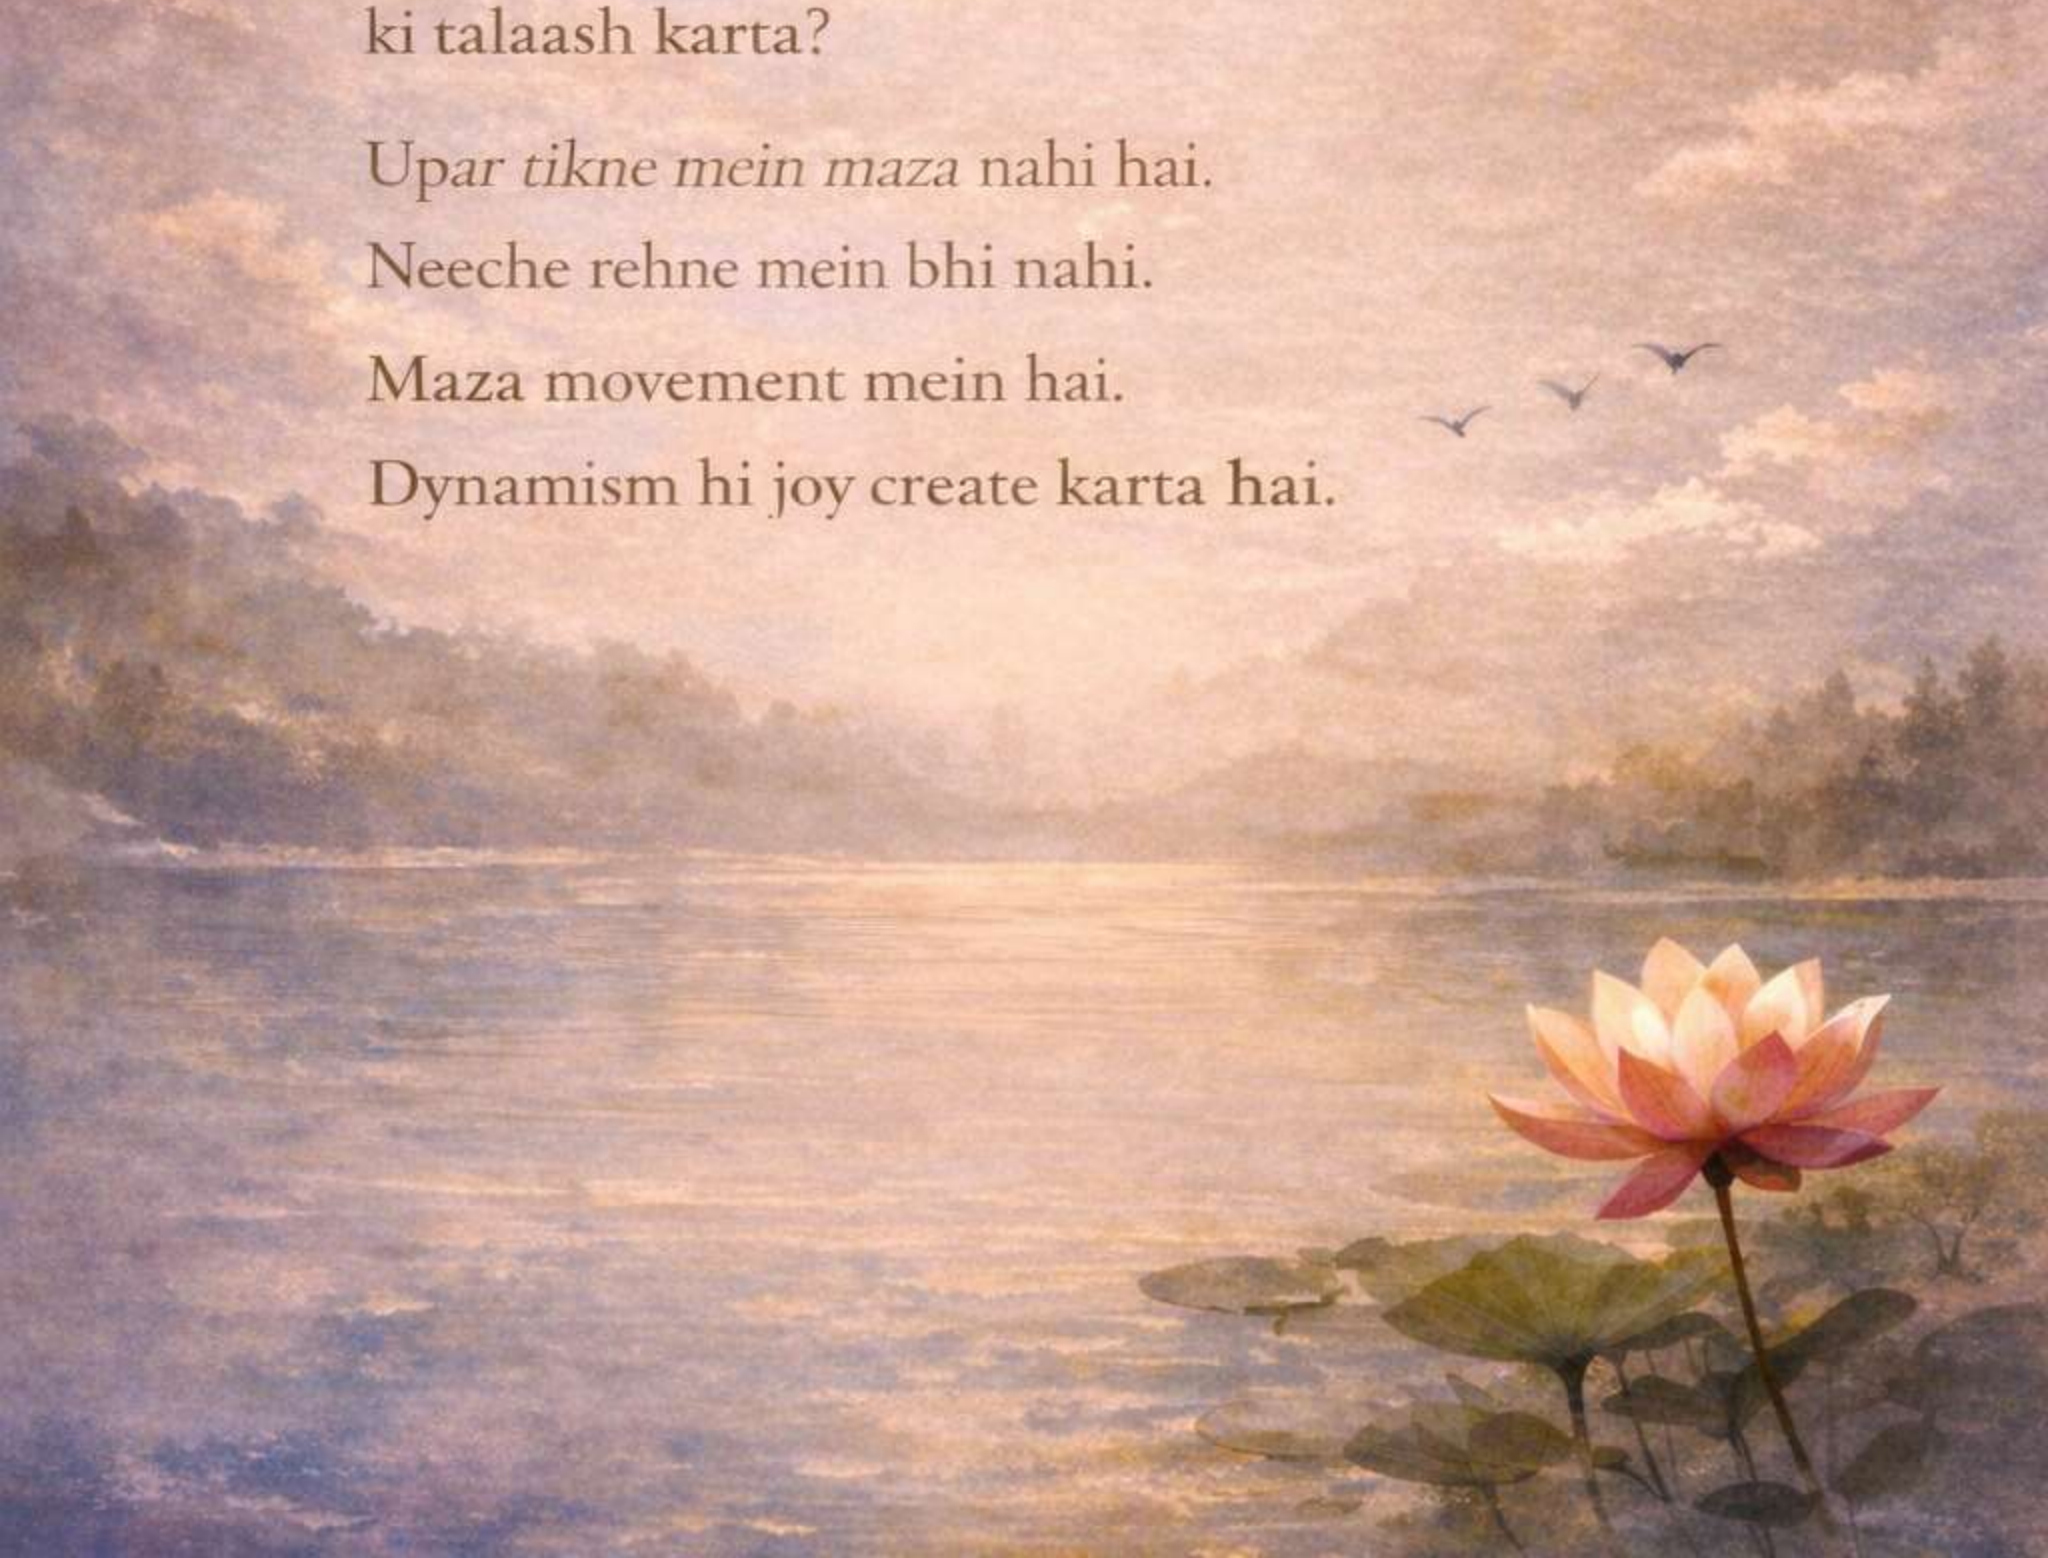
Love Is Wind — Flow Ki Khoobsurati

Poora brahmaand ghoom raha hai.
Atoms vibrate kar rahe hain.
Stars paida ho rahe hain, mit rahe hain.
Phool khilta hai, murjhata hai.
Nadi behti hai.
Baarish ki boondein girkar
turant khatam ho jaati hain —
aur unhe girne ka koi afsos nahi hota.

Warna kaun itni unchai tak jaakar girne
ki talaash karta?

Upar *tikne mein maza* nahi hai.
Neeche rehne mein bhi nahi.

Maza movement mein hai.
Dynamism hi joy create karta hai.

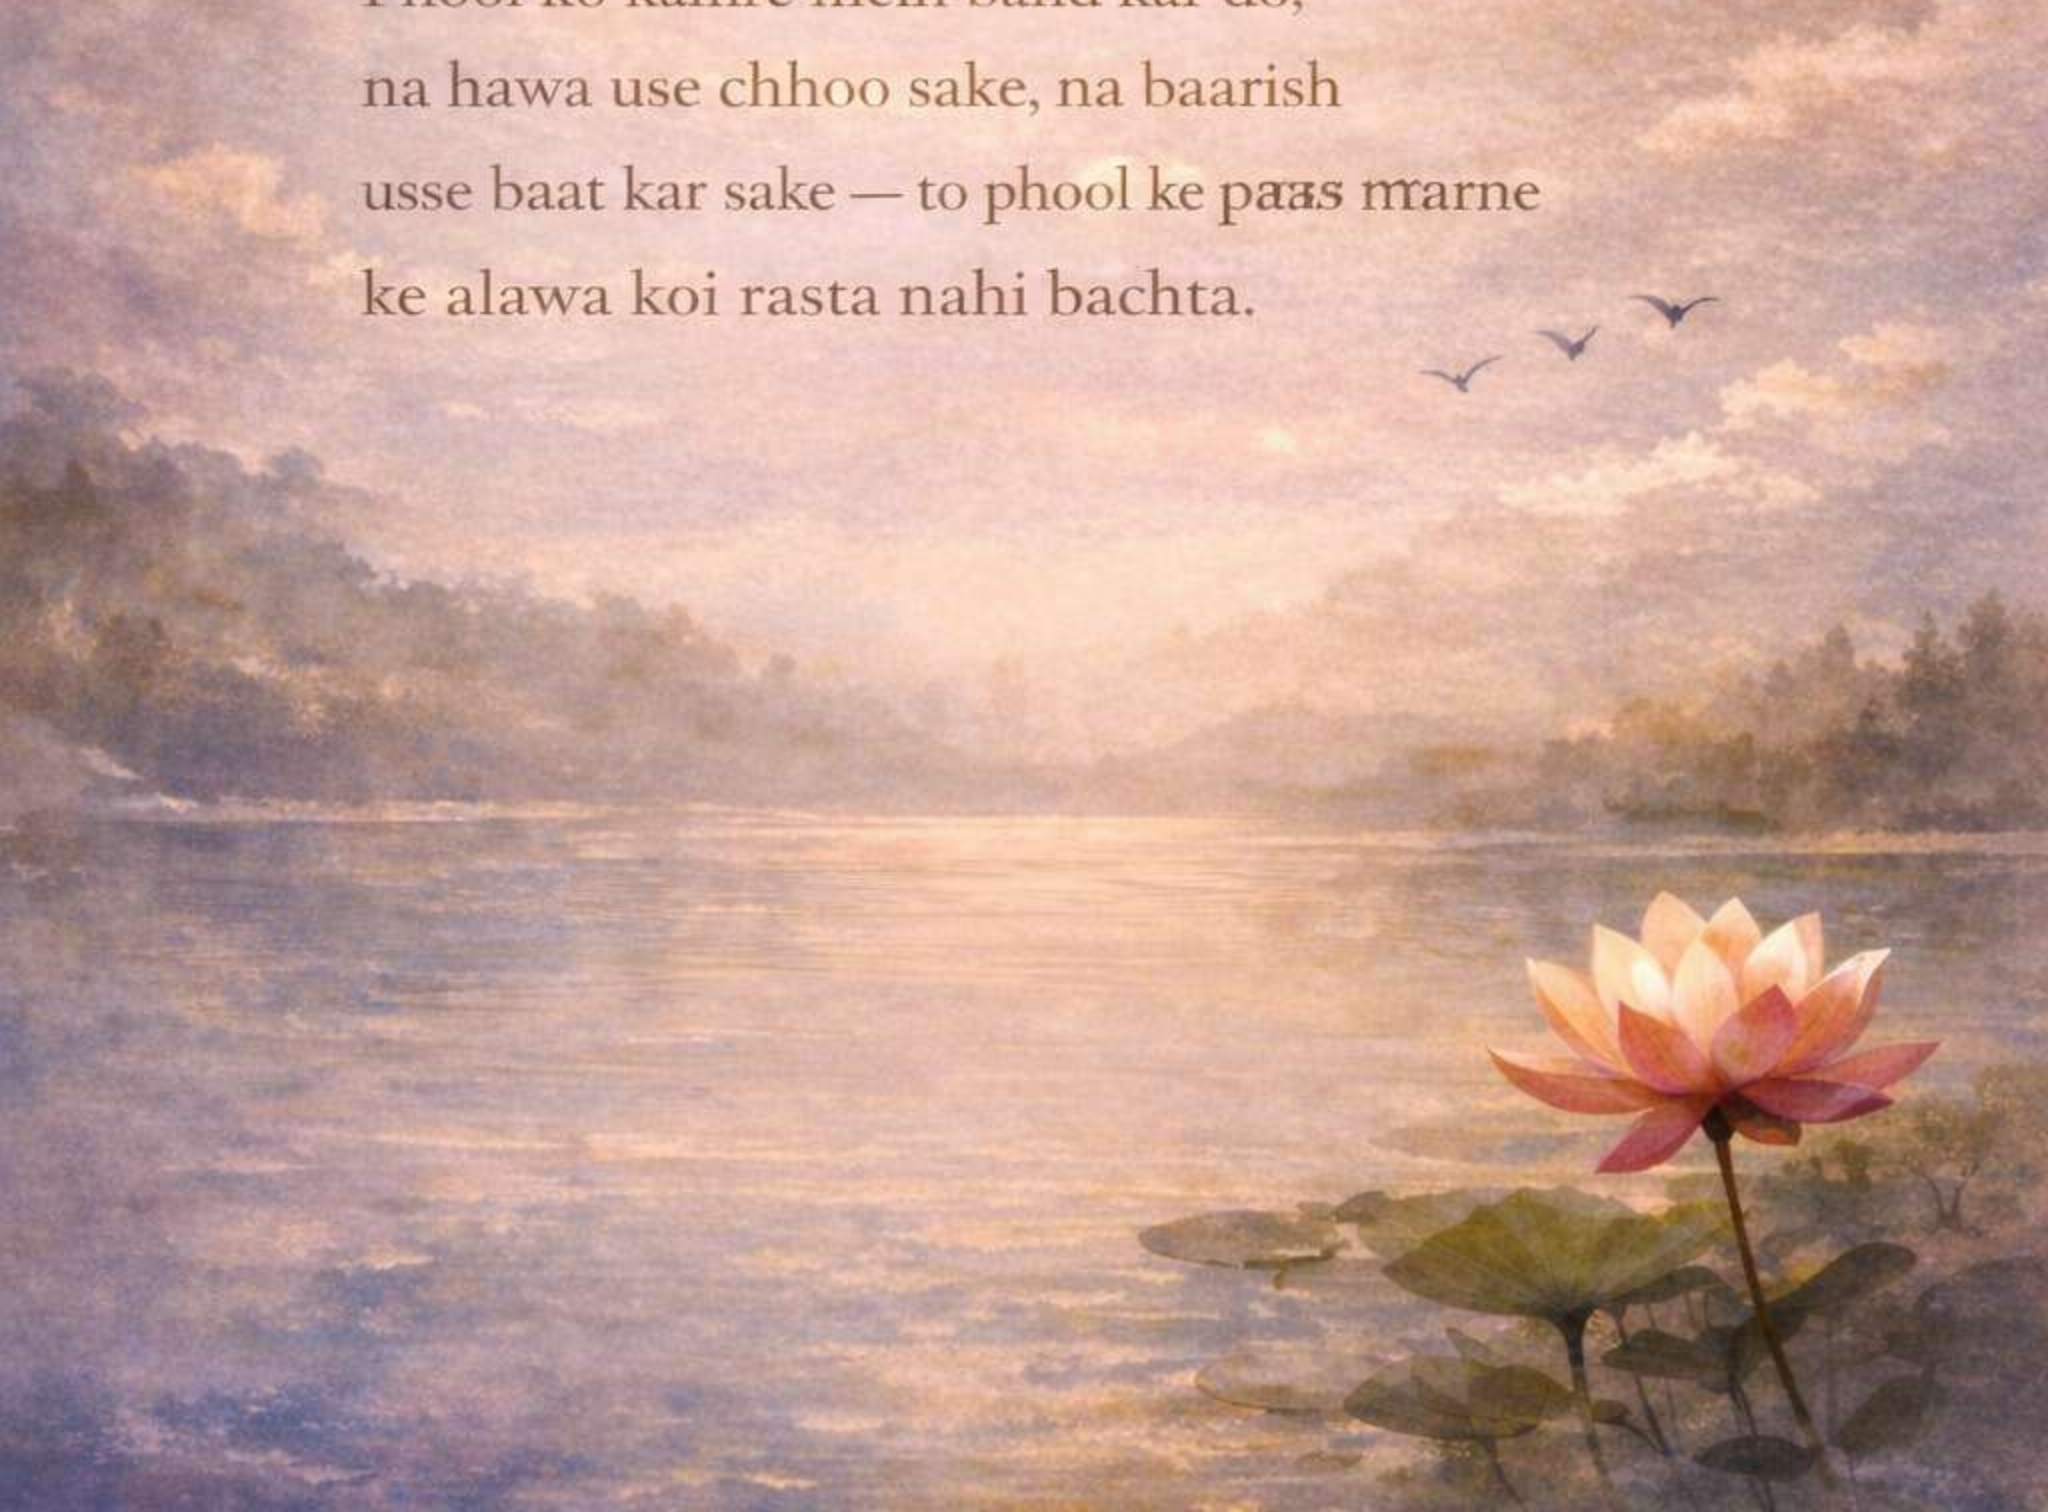


Love Is Wind — Flow Ki Khoobsurati

Lekin insaan ko kaha jaata hai: ek jagah tik jao, ek pehchaan bana lo, ek role pakad lo, settle ho jao, ek hi insaan ke ho jao, aur phir usi mein mar jao.

Prakrati mein jo cheez ruk jaati hai,
wo apni taazgi kho deti hai.
Hawa ruk jaaye to badbu ban jaati hai.
Paani ruk jaaye to kaai jam jaati hai.

Phool ko kamre mein band kar do,
na hawa use chhoo sake, na baarish usse baat kar sake — to phool ke paas marne ke alawa koi rasta nahi bachta.

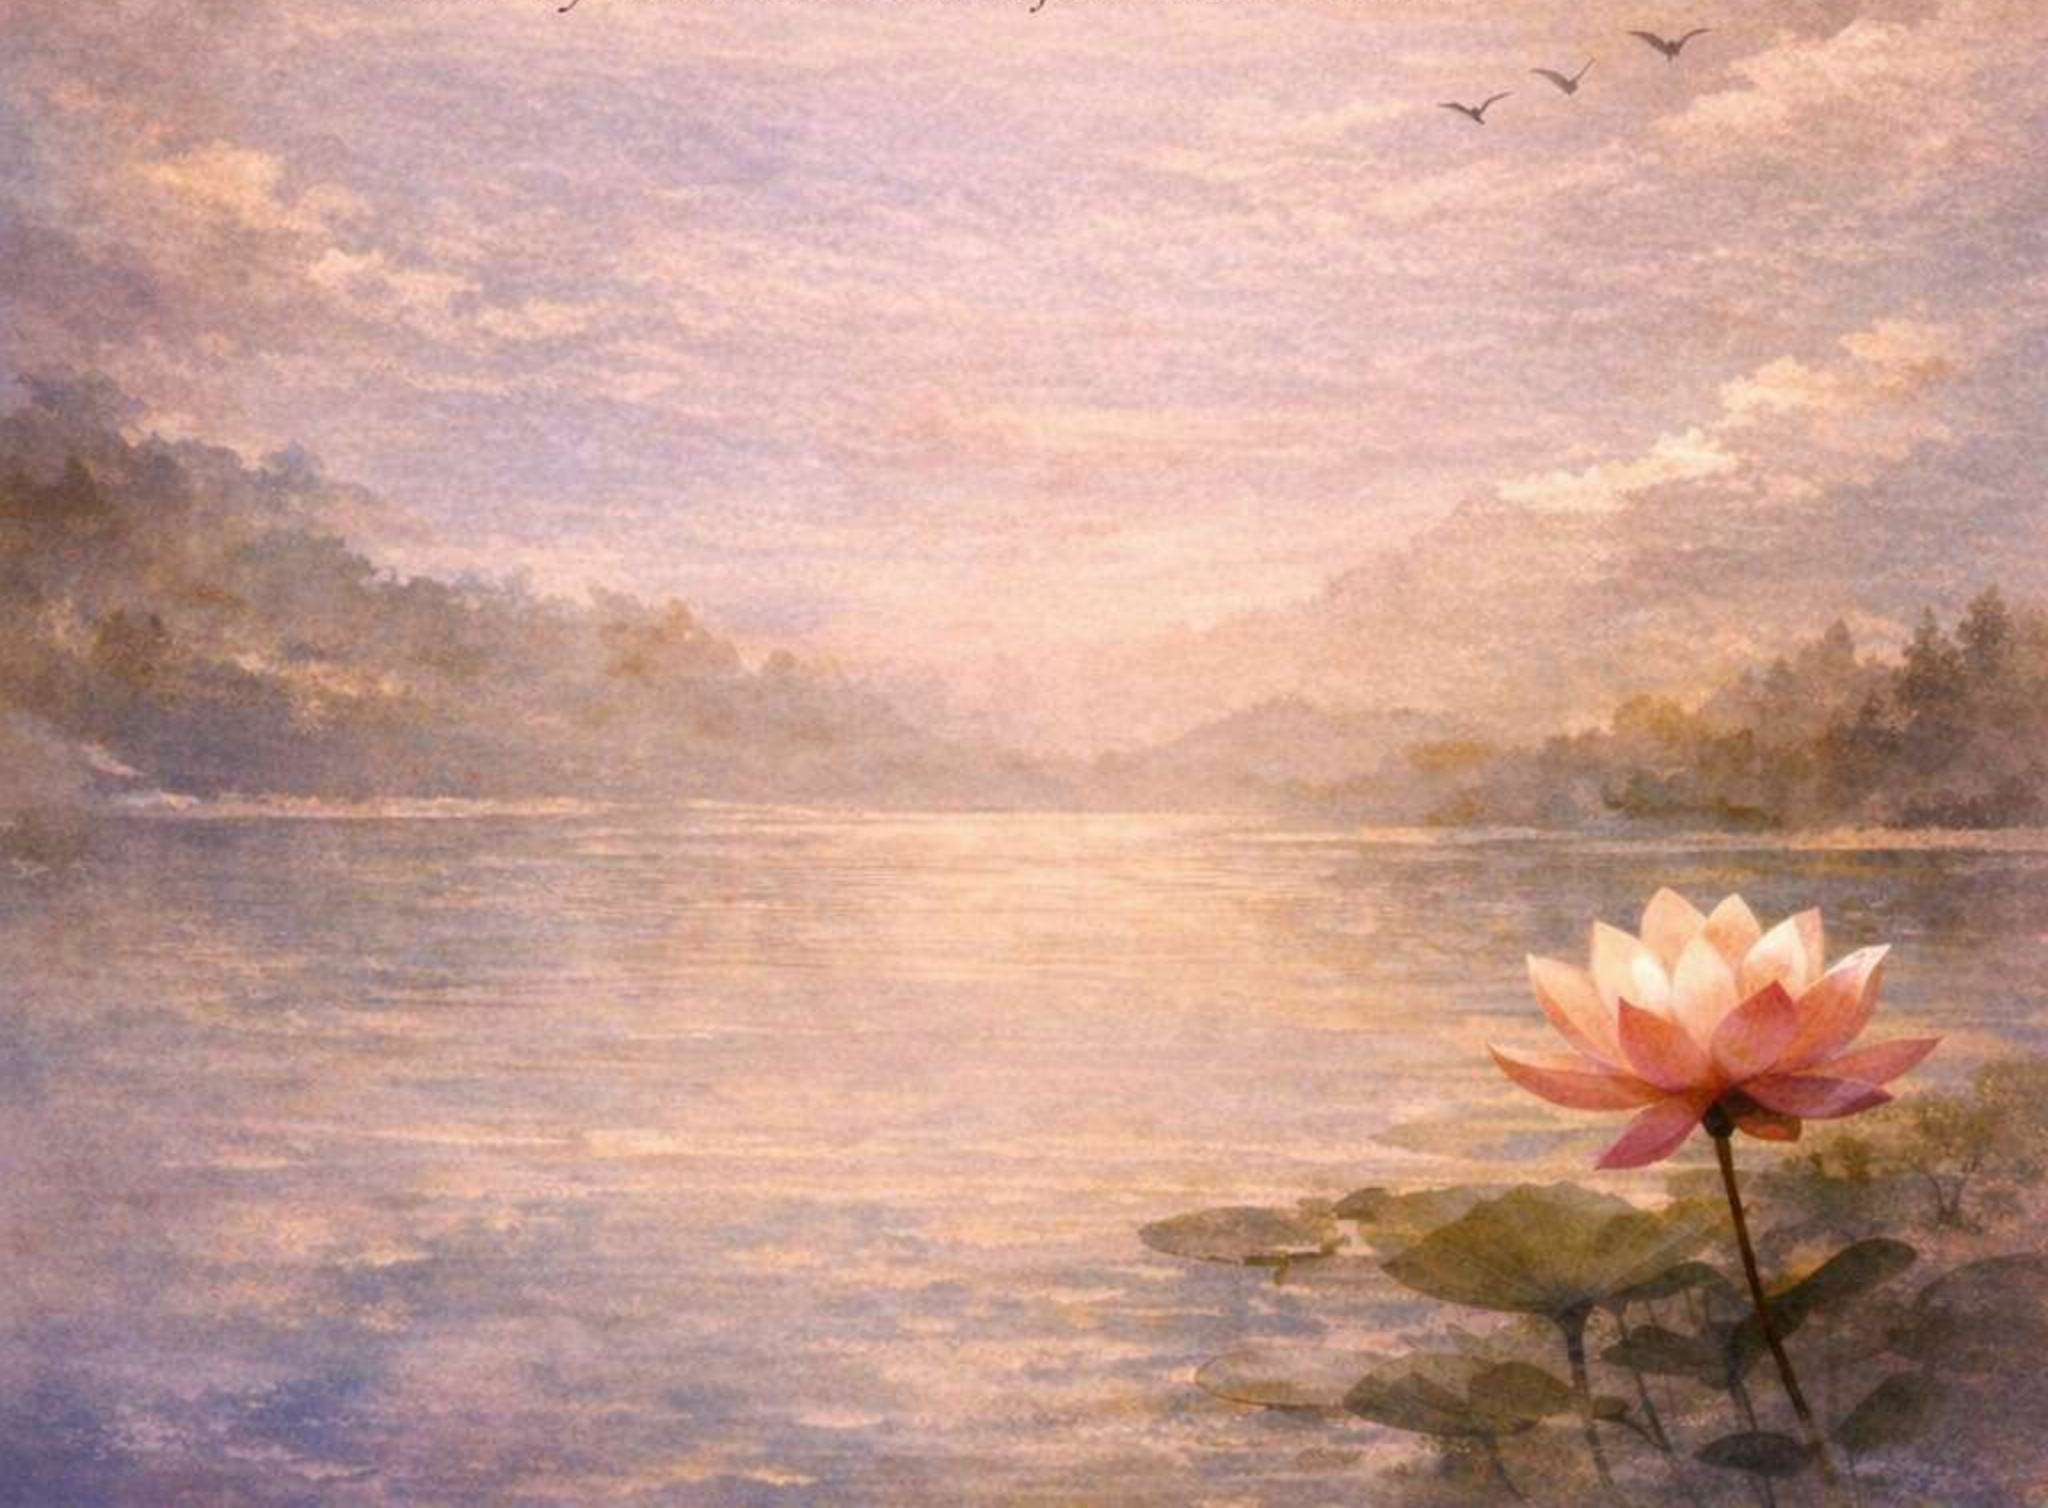


Love Is Wind — Flow Ki Khoobsurati

Poora nature keh raha hai: *beho*.
Aur insaan, jo isi nature ka hissa hai,
usi ko galat saabit karne mein laga hai.

Kya itna bada hai insaan ka ego?
Jis shakti se nikla hai, usi ke khilaaf
khada ho jaana — *sirf isliye kyunki*
wo control nahi kar pa raha?

Krishnamurti kehte hain:
"Security is an illusion. Life is movement."



Love Is Wind — Flow Ki Khoobsurati

Lekin hum movement se darte hain.
Kyunki movement ka matlab hai unknown.
Aur unknown mein ego zinda nahi reh
reh sakta.

Future unknown hai — aur isi wajah se
khoobsurat hai. Ek suspense, ek rahasya,
ek khula hua sawaal.

Socho agar ek din future bhi table
ki tarah define ho jaaye.
Har insaan ki poori zindagi scripted ho.
Har natural phenomeron predictable ho.
Sab kuch *information* ban jaaye.

Kya phir jeene ka mann karega?

Love Is Wind — Flow Ki Khoobsurati

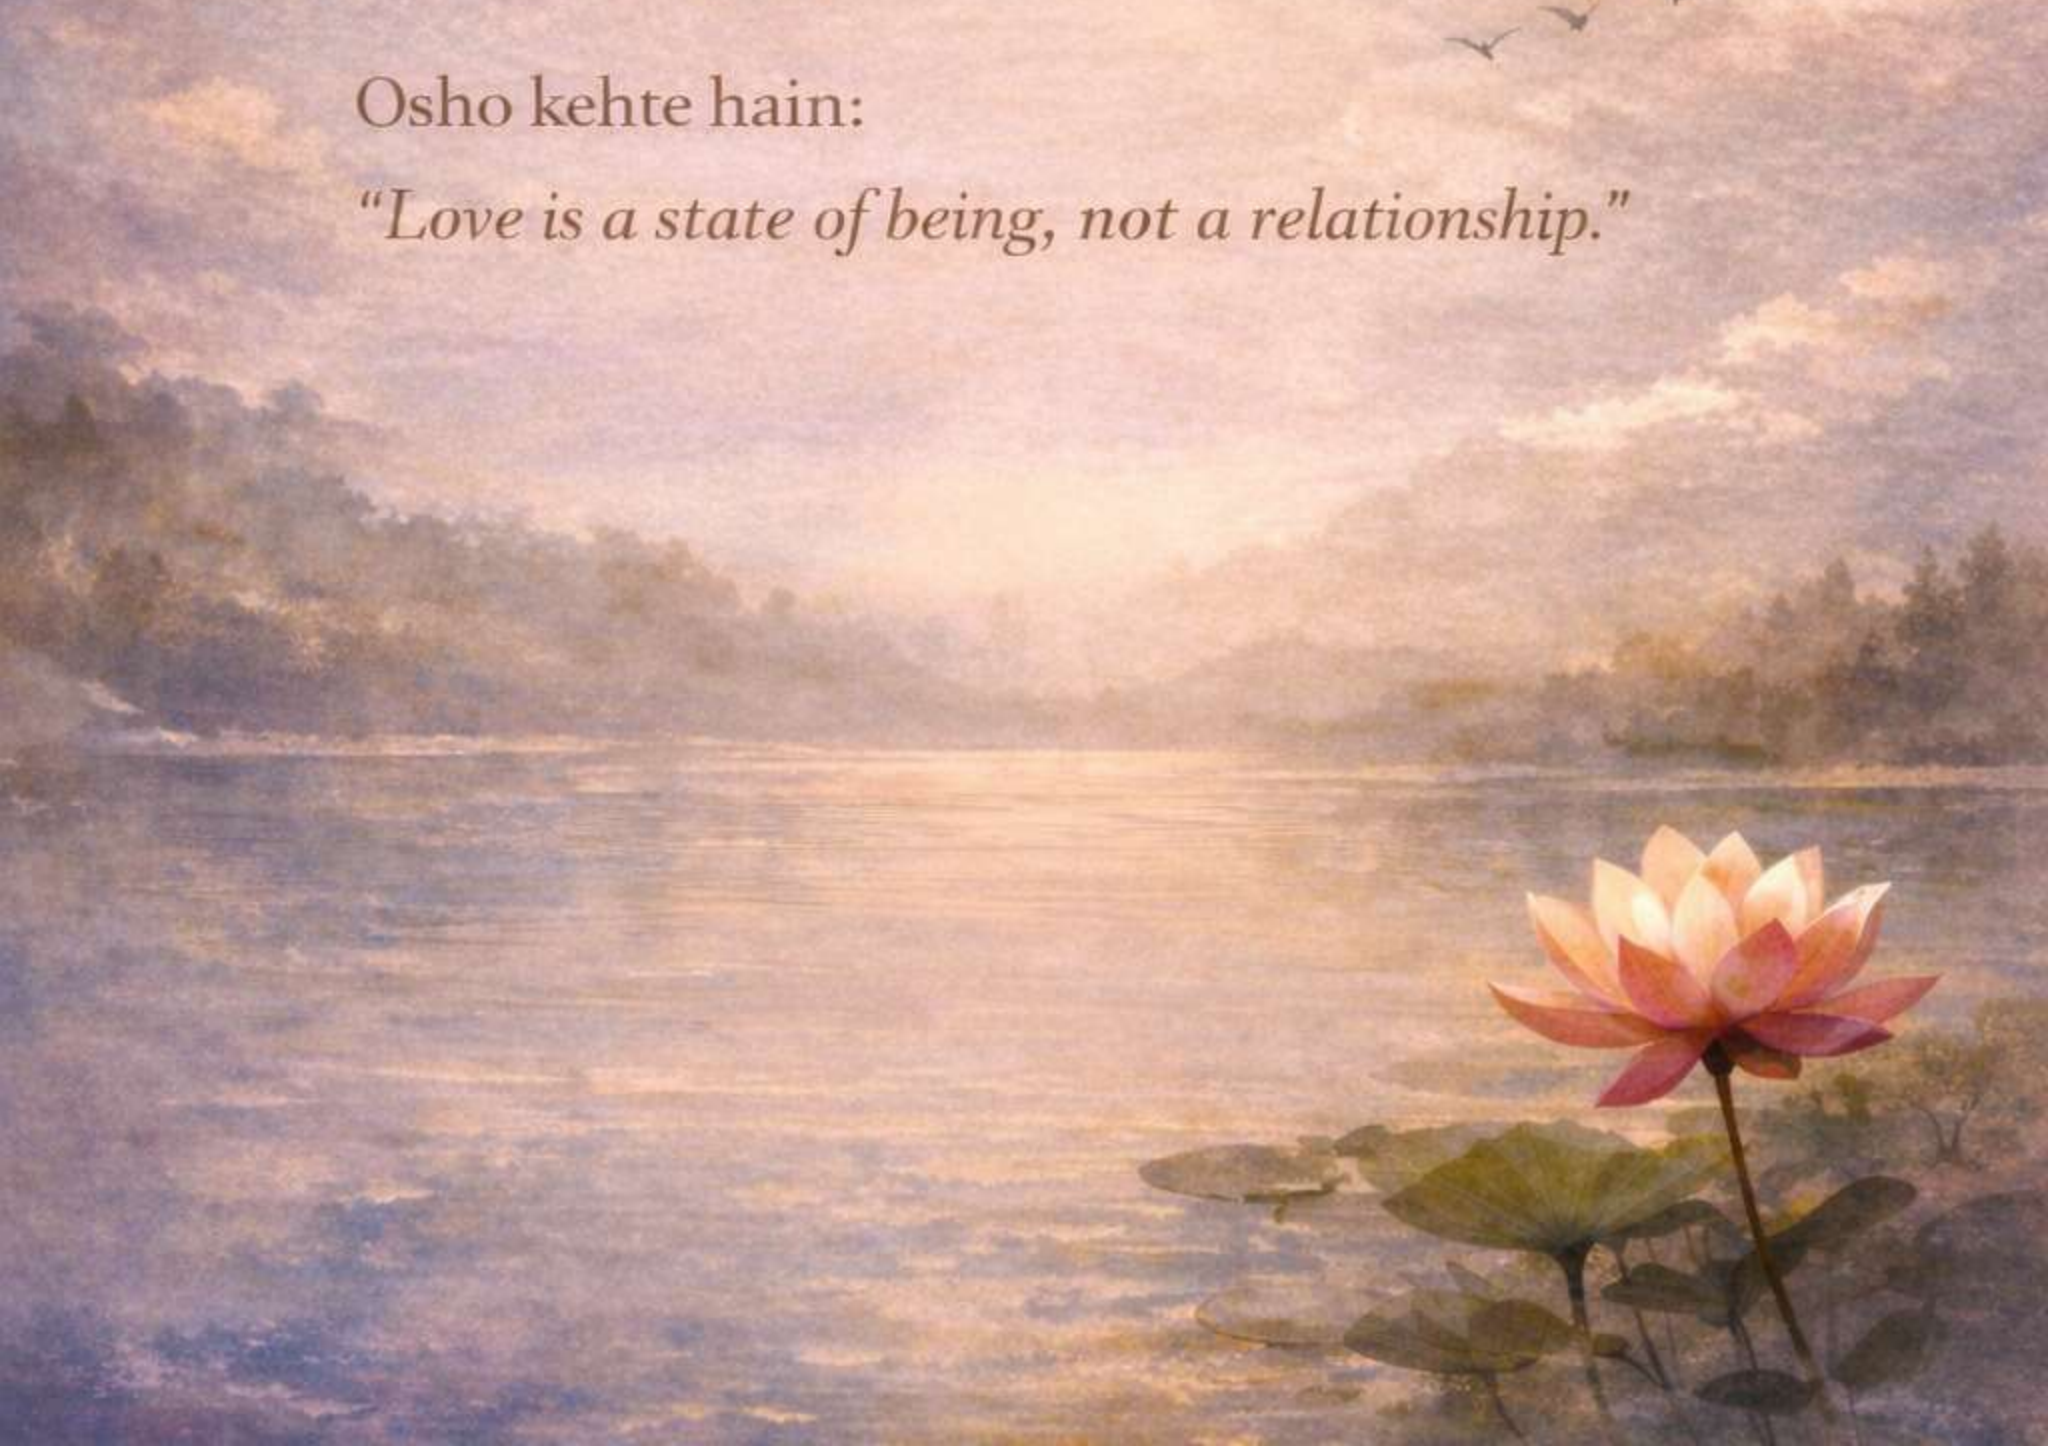
Jo mil jaaye wo mitti ban jaata hai.
Jo anjaana hai, jismein rahasya hai —
wahi sona hai.

Yahin par hum pyaar ko bhi
galat samajh lete hain.

Hum pyaar ko *relationship* bana dete hain.
Naam, label, planning, future —
sab chipka dete hain.

Osho kehte hain:

"Love is a state of being, not a relationship."



Love Is Wind — Flow Ki Khoobsurati

Pyaar tum aur kisi ke beech nahi hota.
Pyaar tumhare andar hota hai.
Tum source ho.

Jaise heat zyada hoti hai to wo thandi
jagah ki taraf behne lagti hai, waise
hi jab tumhare andar gratitude,
anugraha, *jeevan* ke *prati thankfulness*
bhar jaati hai, to pyaar apne aap
bahar behne lagta hai.
Energy static nahi reh sakti.

Isi liye Buddha, Mahavir, Jesus logon
ko kheench laate the.
Koi marketing nahi thi.
Bas ek*energy field* thi.

Love Is Wind — Flow Ki Khoobsurati

Tum phool se nahi kehte: sirf meri naak ke liye khushboo banana.
Tum hawa se nahi kehte: sirf mere bageeche mein behna.

Par pyaar se hum yahi maang karte hain.

"Ye mera hai."

Aur jaise hi "mera" aata hai,
pyaar evaporate ho jaata hai. Pyaar heat hai. Ego thanda hai. Numb hai.

Krishnamurti kehte hain:
"Where there is fear, there is no love."

Love Is Wind — Flow Ki Khoobsurati

Possession ka matlab hai: agar tu gaya,
main toot jaunga.

Isliye hum promises ko jail bana dete hain.
Image, respect, society — sab ego ke
tools ban jaate hain. Aur phir kehte hain
pyaar mar gaya.

Nahi. Pyaar mara nahi. Pyaar ko maar diya gaya.

Shaadi agar do azaad logon ka nritya hoti,
to divine hoti. Par zyada tar shaadiyaan
do dare hue logon ka samjhautà hoti hain

Rumi kehte hain: *"Set your life on fire."*

Love Is Wind — Flow Ki Khoobsurati

Sachcha pyaar selective nahi hota.

Jab tum sach mein pyaar se bhare hote ho,
tum sirf ek insaan se pyaar nahi karte —
tum poori existence se pyaar karte ho.

Jab pyaar ruk jaata hai, to attachment ban jaata hai.
Phir routine. Phir boredom. Phir shikayat.

Osho kehte hain: *"Love dies of routine."*

Stability zindagi nahi hai.
Movement zindagi hai.

Pyaar ko bandho mat. Zindagi ko define mat karo.

Hawa bano — mehsoos hone layak, pakadne layak nahi.
Nadi bano — rasta badlo, par behna mat chhodo.
Phool bano — aaj khilo, kal gir jao, par khushboo chhod kar jao.

Rumi kehte hain: *"Where there is ruin, there is hope for a treasure."*

— Osho ke andaaz mein: wahi zinda hai, jo khatre ke saath
jeene ka sahas rakhta hai.
